

Veterans Benefits

Any request for enrollment certification to be submitted for veterans educational benefits should be made to the Office of the Registrar on the “[Authorization to Release Information](#)” form. To be included on this request form should be the Department of Veterans Affairs VA form number and the appropriate Department of Veterans Affairs Regional Office and address where the completed form should be sent. Upon receipt of this information, the Office of the Registrar will provide, complete and submit this form in the order in which the (completed) request is received.
